CONFIDENTIAL REPORT

EQUIPMENT INVENTORY

Description of Equipment	Quantity	Value
[Illegible]	[Illegible]	[Illegible]

DEFINITION OF  
PROPERTY RIGHTS

PROPERTY RIGHTS	DEFINITION	REMARKS
1. Right of Possession	The right to use and control the property as one sees fit, subject to the law.	This is the most complete right of ownership.
2. Right of Control	The right to determine how the property is used.	This right is essential to the right of possession.
3. Right of Exclusion	The right to prevent others from using the property.	This right is necessary to protect the other rights.
4. Right of Disposition	The right to transfer the property to another person.	This right is essential to the value of the property.
5. Right of Enjoyment	The right to use the property without interference from others.	This right is necessary for the full use of the property.
6. Right of Security	The right to be free from unreasonable searches and seizures.	This right is essential to the protection of the other rights.
7. Right of Privacy	The right to be free from unreasonable intrusions into one's private life.	This right is essential to the enjoyment of the property.
8. Right of Liberty	The right to be free from unreasonable government interference.	This right is essential to the protection of the other rights.
9. Right of Equality	The right to be treated equally under the law.	This right is essential to the protection of the other rights.
10. Right of Due Process	The right to be treated fairly by the government.	This right is essential to the protection of the other rights.
11. Right of Life, Liberty and Property	The right to be free from unreasonable government interference with one's life, liberty and property.	This right is essential to the protection of the other rights.
12. Right of Inheritance	The right to pass property on to one's heirs.	This right is essential to the value of the property.
